“ I was so sorry to hear of Ed's passing. I had been visiting him at Brooke Grove, where we would play a modified form of tennis using badminton rackets and a small Nerf ball. I can honestly say he never lost his wicked slice. I had a very hard time winning against him. Ed was a kind and friendly soul, with a heartwarming smile. I always looked forward to seeing him and will greatly miss him and the time we spent together. My thoughts and prayers go out to his family at this difficult time.
