“ I have no words to describe the pain and sadness I have with Jack's passing. I was just a teenager when Jack was born and he lit up my world as my little nephew. Jack was kind, smart, warm, loving and even witty. I am going to miss him terribly and will now have to go on with only the memories we shared. He is now in heaven with my sister / his mom. Rest in peace my dear sweet nephew. I love you so much and will always remember your sweet kind soul - Love Always, Aunt Carol

“ Jack is my nephew and I miss him so much. He was the best little kid when he was young. Smart and kind. His kindness followed him into his adult years as well. We would text and call each other everyday from the day his mom passed. He told me once now that my mom is gone you are my mom and I was happy to step in and be there for him. He has missed his mom terribly since she passed and now they are together again. Jack, I will see you again one day!! I love you so much!! Love Aunt Barb or Mom!!

“ Jack was the most wonderful caring and loving man I had ever met.. He captured my heart from a simple conversation.. I'm lucky to have spent the last 6 months of his life with him, all I have are amazing memories of the man whom I wanted to spend the rest of my life with. God needed a special angel in heaven and he chose you Baby Fly high my love until we meet again
