Comments

“ It was such a treat to see Jozef every week and truly an honor to have helped him through such a difficult time in his life. He was a sweet gentle man who always joked and laughed and made us laugh with him. He dealt with his struggles with such strength and grace; he was an inspiration.

And it was a joy to see his wife and wonderful loving children who took time out to always be with him. He became part of our family as much as we felt we became a part of his.

And, if you can take any solace in this, let it be in knowing that through your loving care, Jozef left here knowing how truly he was loved. What a wonderful gift to all of you.

He's finally at peace but we will really miss him.
