

Moira Notis

May 19, 1946 - April 19, 2021

Moira (Lynch) Notis of Stamford, CT, passed away on April 19, 2021. She was born May 19, 1946, in Ashington, Northumbria, England, the only child of George and Winnie (Haggerty) Lynch.

Her family relocated to Dusseldorf, West Germany and remained there until the late 1950's. They then relocated back to London, settling at Dockwell Close, Feltham, where she attended secondary school at a Catholic School for girls in Hunslow. She graduated high school (took her "A Levels"), at age 18.

Shortly after graduating, she obtained a ground crew position at Heathrow Airport. Soon after, she applied and was accepted by Pan American Airways as an Airline Attendant and moved to America for her training. By this time Moira could speak French and German as well as English which made her an extremely valuable employee. She retired in 2008 after working for Pan Am and Delta Airlines for a combined total of 40 years.

Moira met her beloved husband, Tom Notis (deceased), while both were working for Pan Am. They were married on June 6th, 1981, and were together for 29 years before Tom passed away.

She leaves her behind her cousins: Jean Greenwood, Sarah and Christopher Skinner, as well as other cousins living in England. She also leaves her family by marriage; Brothers in Law, Paul Notis and Richard Constantin, and nieces Janet Constantin Stuart and Linda Constantin.

A memorial Mass will be held at Saint Clement Church, 535 Fairfield Avenue, Stamford, CT on June 10, 2021 at 11:00 AM.

“ So very very sorry(and shocked) to hear of Moira"s passing. We flew a lot of Amsterdam flights together(and with Pam) and always had a great and fun time. Since I had a friend in Riverside CT, who I visited frequently, , Moira often gave me a ride coming or going there... I always enjoyed the wonderful conversations we had during those rides. Since I live in San Francisco, we lost contact unfortunately after retirement, but I will always remember her. She was a lovely person and she will certainly be missed. R.I.P dear Moira.

“ So sorry to hear. Moira and I met at our Bereavement Group. We both lost our husbands and were like two lost souls. We cried together, laughed together and had many lunches together, and somehow we got through our grief. I will miss her.

“ Moira and Tom, Nick and I, formed our friendship twenty years ago, as neighbors. When Tom passed, we drew closer to Moira. More recently, when Nick passed, we had each other. She always had love and kindness in her heart, sharing and caring with family and friends. Miss you, Moira. Love and blessings,

“ Fifty-three years ago we trained with Pam Morrison for Pan Am and the three of us were then based in New York. Over the years we flew together several times, enjoying fun layovers. Between both Moira and Pam, I acquired some English and Scottish tastes that I still enjoy today, but unfortunately I could not acquire their delightful accents. I always loved seeing Moira in the crew lounge even if we weren't flying together that day, as she had this amazing ability to make you feel good with just her smile. Enough can never be said about her kindness and as trite as it may sound, she truly is one of the sweetest people I have ever known. The world is better now because of you, Moira. Thank you

“ Moira, we came here on the same flight to join Pan Am. Same training class and one number senior to me, and yes, younger. We flew many trips together and had our favorite places for tea spots and favorite purchases. Many trips Across the bridge to Stamford and usually a project to tackle, which we seemed to manage. You always sent me home with a tasty sweet treat for Charlie. I would always call when arriving home. We would laugh when Charlie would always say” that’s my girl”. . The last 10 years without Tom has been difficult for you but you have been so brave through it and incredibly brave this past year. So proud of how you handled the trips for treatment and seemed so positive. It has been a treasured journey. We will miss you. I miss you and sad for your struggles.
Love Pam and Charlie

“ Moira, I shall be thinking of you on the 10th and beyond that date. You were like a big sister to me and I already miss our trips to meet up and our phone-calls and letters. It is such a comfort to read the messages left by Moira's former colleagues.

“ Sincere sympathy and condolences to Moira's family. Such sad news. Moira was just four months senior to me at Pan Am and she was such a lovely flight attendant to work with, so calm and smiling, yet such a hard worker. And she seemed ageless. Looking at her photo I can see her smiling down on us. Moira will be missed.

“ Sincere condolences to Moira’s family on her passing.

Moira and I first met in July 1968 when we became roommates, both flying for Pan AM. We were roommates for only 2 years, but kept in touch and remained friends for all these years-53. Moira introduced me to Marks and Spencers, tea and scones, and tea with milk. She was beautiful, bubbly, and always charming.. We used to chat about our cats (and my dogs), politics, British TV, the Hallmark Channel, work at the library, and of course, the Royal Family!. She spoke fondly of her mother’s roses. Moira always reminded me of the actress Greer Garson in the film, Mrs. Miniver. I think it was the eyes...

It was always fun, reminiscing about our flying days and the great crew members we remembered.

Moira, I will think of you often and miss you always.

“ Oh I am so saddened to hear of Moira’s passing. I always loved flying with her, so kind and also so much fun. I had run into Moira in Stamford almost two years ago and always thought we would get together again soon. Such sad news

“ I have known Moira since our earliest flying days. My first month of flying I was unsure of how to bid so I just copied Moira's and we ended up together flying to London and Shannon. I have pictures of us kissing the Blarney Stone and dining in a castle nearby.

Moira introduced me to a Pimm's Cup on that trip. Moira always had the loveliest lilted laugh and it was always such a pleasure to fly with her. This is such sad news.
