“ Dear Monica and Grace and your families, I was so sorry to learn of your Moms passing. Your Mom and I were friends and next door neighbors on Burwood for years. I remember you both as little girls but that was before we moved to Vermont. Your grandmother made THE BEST spaghetti sauce. I hope your Mom did too. Keep the memories close. Her love will be with you always.

“ Sorry to hear this sad news. Pat and I were friends many years ago, I lived a few doors away on Claremont. May she rest in peace.

“ So sorry, Monica and Grace, to hear of the death of your mother. As a first cousin I got to know her well since we lived next door to one another in her early years. Her grandfather, my Uncle Joe Nichols, was my mother's brother and I spent a lot of time with him and your grandmother, my Aunt Helen. Later, I recall watching you play as tots when when you all moved to Burwood Avenue in Waterside. Like me, your Mom loved the beach, and that was were I got to see more often in later years. I only wish I had got to see her more in recent years. But I will treasure many happy memories of your Mom, and again I am so sorry at her passing. Jack Cavanaugh

“ Monica and Grace, so sorry to hear of your Mom's death. I remember her from childhood since she grew up next door to my mother, sister and I on Ludlow Street. Your grandfather, Joe Nichols, was my mother's brother and my favorite uncle and a wonderful man, as I'm sure you recall. I vividly remember visiting him and your grandmother, my Aunt Helen after they moved to Burwood Avenue when you were tots. I have so many pleasant memories of your mom and will miss her dearly.
