“ To Jeff & family, I was so saddened to learn of your loss. My memories of your dad are so wonderful, happy, and warm. The earliest being riding my bike down Glenbrook road to the nice man who would help me put air in my tires. Of course I remember the cordial and friendly chats our dads would have. Truly a reminder of the 'old' Stamford, and what it means to have been part of an old Stamford family. I will always cherish my memories of your dad. What a great guy!
