“ *Andrei, my heart is heavy for your entire family. I know, only too well, how much you will miss your mom. She was the center of your family and your world. Her unconditional love for you was so strong and bright. You have had it every day of your life and will continue to. She will always be there ensuring you feel her love. Don't ever doubt it for a minute. Now it is your turn to pass the unconditional love torch to all those you love.*
