

## Agenor Fanfan

July 27, 1920 - May 29, 2020

Agenor Fanfan, was born in Haiti (Jeremy) in 1920, he was the first of five siblings. As a young man he decided to move out of Jeremy to Port-au-Prince where he would eventually meet his wife and had five children. Eric Fanfan, Fritz Fanfan, Rosemarie Fanfan, Leone Fanfan, Marielourd Fanfan.

Agenor worked as a dock man for 29 years in Haiti. Agenor became a widow not sure exactly when but, he would eventually meet my mom (Cerette Dorelas) in 1975 and had another five kids. Carline Fanfan, Junior Fanfan, Marie Betty Fanfan, Jocemy Fanfan, and Widnor Fanfan.

In 1984 my father migrated to the U.S. (New York). He worked very hard for the Marriott hotel and brought all five of his kids to the US. My father retired in 1990. Father was born and raised catholic. He loved going to church. My father was a tough man with a soft heart. He had numerous grandchildren that he lived for, Jimmy, Jerry, Greg, Craig, Jayda, Trisha, Junior, Chad, Anayah, Jeremiah, Miles, Malik, Mia, and Miley.

*Hi Daddy, I keep rehearsing in my head what if you had taken my offer and moved to Florida....I hate the fact that you were all alone in the hospital and I wasn't here to protect you and make rational decisions for you. You were and amazing dad and I know that heaven has gained the greatest angel. You loved your family and it showed. Thank you for all the sacrifices and hard work you put in to this family. I miss you beyond words. I know that you are watching over me me protecting me. That you for your great advise, I was able to let go of any and all issues that were against your will. I miss you and please watch over my and my children. They miss you so much (Gros Dada,and madan Fanfan). Miles misses you so much and please help me to protect him. RIP daddy*

“ *Hey, daddy, I miss you. I did not write to you yesterday but a friend of mine went to visit you and brought you flowers. I hope you liked them. I will be coming to see you very soon. Daddy, Please watch over me and the kids. We love you so much. I hope you like your going away outfit. You always said you wanted to wear navy blue and white so, that's what I did. Please continue to give me us strength to move forward. I miss you so much. I can't believe I can't tell you these things to your face anymore. One day we will meet again and I'll be able to tell you. Till then, daddy, I love you and miss you very much.*

“ I miss you daddy, please look after us and protect us. My kids did not get a chance to really bond with you but, they know who you are and they love you very much. I can't believe you are gone but not forgotten. I wish I could hear your voice and touch you and play with you like we use to. The love that I have for you is unexplainable. I miss you daddy. I promise to come visit you really soon. I can't stop thinking of you. I love you to the moon in back.
