“ Had a hard time hearing you were gone! Gonna miss seeing your face! Gonna miss talking about my grandmother (Louise Police) and your mom, my God mother (Enia) laughing, crying and sharing stories. Well your in a better place now, and now you can rest in peace! Until we meet again, you are now our Angel! 🙏💔

“ Aida (affectionately know to friends and family as Chickie) words can't explain how my heart jumped a beat when I heard that you received your wings. The memories as we were growing up I will never forget, the trips to Playland, The Parties, and them 4th of July BBQ' s (you were always afraid of the fireworks) My mom and Aunt Enid were always in the kitchen cooking and Uncle Jose and the men would be in the back yard. Your memory is my keepsake with which will never part God has you in his keeping I have you in my heart. I will always cherish those memories. Coming up we were always as close as what!!
