

Alfred Brown Jr.

July 17, 2018

Alfred ("Al") S. Brown Jr., beloved husband of Sandra L. Brown (now deceased), passed away at Wilton Meadows Health Care Center on Tuesday, July 17, 2018. Al was a lifetime resident of Stamford, CT. He graduated from Stamford High School and attended Norwalk State Technical College. He was one of five children born to Alfred and Edna Brown of Stamford. Alfred was manager of his parents' gas station, Brown's Service Station on Elm Street until the business was sold. The remainder of his career was working for Reliable Oil Company, as a fuel oil delivery driver and subsequently as a dispatcher.

Alfred was a kind and gentle person, always willing to help out, with never a cross word to anyone. To a person, everyone who met him talked about how extraordinarily nice he was to all. Al loved motorcycles, tinkering with cars, football, and watching movies. He was a faithful member of St. Cecilia's Parish, and a good friend to anyone who needed assistance. Most of all, Al loved his wife Sandy with a passion beyond measure. She was his whole world, and he simply could not live without her.

Alfred is survived by three sisters: Edna Hayter, Judith Vadeboncoeur and Linda Cannella. His sister Elaine Hinterneder predeceased him in 2016. He is also survived by several nephews and a niece. He is also predeceased by his very best friend Peter Cavanna, who was like a brother to Al. They met the

first day of kindergarten and were best friends their entire lives together.

Interment will be private, and Bosak Funeral Home, 453 Shippan Avenue, Stamford, CT 06902 will handle the arrangements. In lieu of flowers, a donation in Alfred's honor may be made to the Belltown Fire Department or St. Cecilia's Church. “ Alfred "Al" Brown has been a member of our family at Reliable Oil & Heat Co. since 1970.

He was truly bigger than life in so many ways. His friendliness, his kind words, his way of dealing with coworkers & customers, and of course his smile. Al was a valuable truck driver for some 16 years prior to a motor cycle mishap. He returned less than 2 yrs later to become a dispatcher till his retirement just a few years ago. We have so many memories that will fill our lives for so many years to come. To me you were a Big brother too.

Al, you were everything your parents could have dreamed of in a son. Your presence will be forever missed but you will never be forgotten. May you be happy in your life after with your loving wife Sandy. All our Love, Joe Rumore and the Reliable Family. RIP...!!!
