Andrew 'Sandy' Zeiss, lifetime resident of Stamford, passed away peacefully on Saturday, December 21, 2024. Sandy was born on November 12, 1955 in Stamford, CT.

Sandy is predeceased by his loving wife of 32 years Dana and her parents Ellsworth and JoAnne Benson, his parents John and Marion Zeiss and his two brothers John and Peter Zeiss.

He is survived by his three children Erik Zeiss of Stamford, Bryan and Jennifer Zeiss of East Haven and Morgan Zeiss and Michael Belaineh of Boynton Beach, FL. He's also survived by his sister Alicia Boccuzzi of Danbury, CT, brother Paul and Kathy Zeiss of Norwalk, CT and sister-in-law Heather Benson of Stamford, CT.

He is also survived by the three lights of his life: grandchildren Ava Cohen, Kaleb Belaineh and Madelyn Zeiss.

Sandy was a loving husband and father. He was an adoring 'papa' who loved his grandchildren more than life.

Sandy graduated from JM Wright Tech in 1973 and became a member of the carpenters local 210 for many years. He was a devoted family man who

consistently prioritized his family. He was involved with Boy Scouts of America and served as scout master of Troop 1 in Stamford for several years. He coached little league at Stamford Federal in Shippan. He had a passion for golf and was a member of the Hubbard Heights men's club and has since passed the torch to his son Erik. He was an active member of the Laurels athletic club in Norwalk, CT. He loved all things whales and lighthouses. He spent the last several years as an avid motorcycle enthusiast where he enjoyed traveling all over New England with his "biker friends".

He will be sorely missed by all his family and friends.

Visitation will be on Friday, January 3rd from 3:00pm-7:00pm with a prayer service at 6pm at Bosak Funeral Home, 453 Shippan Avenue, in Stamford, CT. Burial will be private.

“ Sandy: I never knew you went to the Lord until today. I loved you and Dana and Aunt Rosie like you were my family. Thank you guys for helping me move when Daddy sold the house in which I grew up last minute with no notice. That's when you know who loves you. I will miss you until I leave this earth and see you again. I am heartbroken. I was just going to call you. I love you and Dana and know you are together again forever. May the Good Lord rest your souls. All my prayers and love, Lisa. Xo 🍷😭🙏🙏🙏

“ Sandy was a dear friend and neighbor all through grammar school and high school. We spent endless days at each other's house playing sports, watching golf and just enjoying one another's company. He was a great friend and a terrific human being, I was blessed to know Sandy and will never forget him!

“ Sandy was a class act. My brother Brian was in his Troop. I used to show up to a few camping trips and help out with the boys. I just found out about his passing and I'm truly sad. I'll see him in glory one day with Jesus. Hope his boys are doing well.

“ I am so shocked and sad to hear about Sandy...we go way back... we went to his Wright Tech prom together! We were fortunate to reconnect later in life, and always caught up on birthdays, holidays and the occasional get together with the Stamford crew. Sandy had a big personality and an even bigger heart. Condolences to the entire Zeiss family and may his memory always bring a smile.
