

Angel Luis Ayala

September 13, 1974 - August 26, 2021

Angel Luis Ayala, father, husband, son, brother, and friend, passed away Thursday, August 26, 2021 in his hometown of Stamford, CT at the age of 46 years old. His fight with COVID showed his courage, strength, and resilience. Despite all the pain and every condition he faced, he stayed strong and fought till the end.

Angel L. Ayala is survived by his wife Emma Mery; his children Talia Ayala and Mia Ayala; his parents Angel R. Ayala and Ana M. Collazo-Solano; his step-mother Cruz M. Rivera; his siblings Betzaida Ayala, Richard Ayala, Ariana Robles, Gabriela Solano, Jesse Solano, Yelixa Santiago, and Flor Santiago; his father and mother in-law Sergio Mery and Flor Mery; his sister-in-law Michele Mery, his beloved cousins, nieces, nephews, relatives, friends, and his dogs Blue and Louie.

Angel was born in Stamford, CT on September 13, 1974 to Angel R. Ayala and Ana M. Collazo-Solano. He was raised to be proud of his Puerto Rican roots, and in a culture of people that love deeply, are family centric, believe in a higher being, and at heart are “Buena-gente” [good people].

Angel was always the curious type. He always wanted to learn and build on his knowledge no matter the subject. His personal achievements were some of the proudest moments in his life. He graduated from Katharine Gibbs

College with two degrees in Networking, and Administrative Assistance. He also graduated from the University of Bridgeport Fones School of Dental Hygiene, with his Dental Hygienist degree. Angel worked as a Registered Dental Hygienist at All Smiles in Norwalk, CT. He truly loved what he did, and his dedication to his work was always appreciated by his patients, along with his funny stories and witty comments. His need to give it his best was always one of his biggest traits, and all of it was for his family and his desire to give them everything.

Angel met Emma Mery in 1995, the women of his dreams and the women he would spend the rest of his life with. They were the definition of a power couple. Two hearts that beat as one, who complimented each other's strengths, supported each other's wants and needs, and as Angel sang "Endless Love" to her on their wedding day, their love for each other is truly endless. Together they raised the two most beautiful girls in Talia and Mia. Angel was the greatest father to ever walk this earth. He did everything for his girls, no matter the request, seeing his baby girls happy always put a smile on his face. He loved every second he spent with them and supported them through all their endeavors. He loved coaching them in soccer, guiding them through life's challenges, and keeping them safe. He was always there for them.

Along with being a great family man, he was also a great friend who held some of the best parties and was always fun to have around. Angel himself was the life of the party and having a drink or two with him was never a disappointment, except if you were playing pool with him then expect to be disappointed... you'll lose every time. He was truly a great man that was loved by everyone around him. He was a happy soul who lived his best life.

Angel will always be remembered for his gentleness, grace, and kindness. He always seemed to find the good in everyone and would always put others

before himself. His name suited him perfectly. He was an angel walking among us, and now he's an angel up in heaven looking over all of us. So Angel, thank you for who you were, thank you for your love, thank you for your lessons, and most of all thank you for the endless laughs and a lifetime of amazing memories. You will forever be loved.

“ My condolences and prayers go out to the family and friends of Angel. I am learning today of his passing. I am shocked! Angel is the best dental assistant I have ever encountered. For the past decade, he has worked on my and my family's teeth. We talked about everything. He always stressed how proud a father he was of his children, their ambition, goals, and successes. He loved his wife and his immediate family. Always bragged about his wife's loyalty and partnership! WOW!!!!

He will be missed!

“ Angel was an amazing human being, with a smile that was warm and inviting. He was a truly loyal and caring person who would do anything for the people he loved. I am blessed to have been able to spend time on this earth with him, and to learn from him. He taught me a lot about being a good father, by modeling his unconditional love, and the selfless sacrifices he made for his family. He was a great friend to me. My heart aches for Emma, Talia, Mia and the rest of his family and friends. He will always live on in our hearts and minds, as we recount the memories of our shared experiences. Rest in peace, my friend.

“ *Dearest Emma, Talia and Mia,*

We were devastated to learn of dear, sweet Angel's passing. He was an amazing young man who loved life. His face lit up whenever he spoke of you. He was so proud of all of you. When we went into work on Monday, he couldn't wait to share the great times you had together on the weekend, the great meals he cooked (he even shared some recipes), the parties he planned, pictures of you and the girls or the family vacations he enjoyed. He wanted everyone to be as happy as he was. His smile was infectious. He always listened, gave some very good advice and managed to cheer you up when you needed it. Angel was truly special and will be missed but never forgotten. He will always be in our hearts and in our prayers. He will be smiling down on all of us. RIP, dear Angel.

Our thoughts and prayers are with all of you as well.

*Love,
Alan & Fran Bianco*

“ *They say cousins are friends that love you forever...Although I didn't see you as much, the time we did spend, you always made me laugh. I remember at times, you would try and have a full blown conversation as if I could answer you while getting my teeth cleaned... maybe yes and no questions?Lol ...You gave advice when I needed it. Always told my son to take care of me, and to be good in school. I'm crying as I write this...Tears of sadness as I remember you as the last time we saw each other. I love you Angel and will miss you dearly.*

To Emma, Talia, Mia, Titi Ana and family caring thoughts, and prayers are with you ❤️

“ Angel and I coached the “Brown Bombers” together for 3 years when our daughters, Talia and Nicole were about age 10-12. Together, we coached the girls to several league championships. Angel was a great coach, and a friend. When he went back to school to get his dental hygienist certification, I introduced him to my dentist, Perry Frydman, with whom he worked for something north of 8-10 years.

Though we worked and circulated in different circles, I really came to like working with Angel - and I'd often ask Perry when he was going to be doing cleanings in the office.

To Emma, Talia and Mia, I offer my most heart felt condolences. When I told Nicole about his passing, she started to cry... This is a tragic loss for the Ayala family as well as our town. We've lost a great man, a great father, and a great friend.
