“ I was one of Ann's Caregivers. I loved her immensely. She would always get a huge smile whenever I came into work & said Hello to her. I cared for her every single night even though she wasn't on my assignment. She would tell me how much she appreciated me & loved me. She was my favorite resident & I was devastated when she passed. I kissed her on the forehead the night before she passed away, told her I loved her & to sleep peacefully if I didn't see her again. I often go into her room & just stand there missing her. For some reason she just took a huge place in my heart. I miss her everyday. I am so sorry for the families loss. She was a wonderful woman & I am SO happy I was able to provide comfort to her & care for her, for 8 months. RIP Ann.

“ So many memories at Aunt Nanny's house. Uncle Tony's jokes, Christmas parties, picnics, and playing crazy 8's with grandma. I remember playing with Pal and driving in her their Lincoln. The best memory was when Aunt Nanny would tuck me in bed at night. The sheets were white and crisp as can be. The sheets were so tight around me, I couldn't move. I felt so safe and loved. I am glad that her final years were good to her and she was surrounded by family and friends who loved her so much. I will miss you, Aunt Nanny, but the memories will live on forever and they are priceless. <3
