“ Tony was so wonderful to me and my family. He would come help us out on his own time with plumbing issues just because we are family friends of sue and Claudio. He never said no and was funny , kind, and honest about all things. He made us laugh constantly with his jokes and stories . He was a beautiful man and I still see his smiling face before me as I think of him. Much love to his family as they grieve. May the peace of God that surpasses all understanding wrap them . “ Tony was a great friend to me. No matter what you needed Tony was always there to help out. Any time of day or night Tony would always be there. He was one of the hardest workers I ever knew. He also had time to smile & laugh no matter how tired he might have been.

Tony loved his family above everything and dedicated himself to providing for them. Although I now live in Rhode Island, I will miss him.

My deepest condolences to his wonderful family,
