

Anthony J. Pellegrino

April 6, 1941 - April 15, 2024

Anthony John Pellegrino, age 83, of Greenwich, devoted father, grandfather, father-in-law, brother, uncle, brother-in-law, and friend, passed away on April 15, 2024 at Greenwich Hospital. He was healthy and independent until the day before his passing.

He was born in Greenwich on April 6, 1941, to Anthony and Mary (Barone) Pellegrino. Anthony grew up in Cos Cob and attended Greenwich High School.

Anthony worked as a bricklayer/stone mason for over sixty years before retiring. He was a proud member of the Bricklayers Union and ran his own business, Pellegrino Masonry.

Anthony, a man who loved to boast about his grandchildren, will fondly be remembered for his profound faith in the Lord. He had a natural ability to make others smile and feel welcome. As a friend of Bill W. for over fifty years, he helped many in their daily struggles. Above all, Anthony found his greatest happiness and fulfillment in his daughters and grandchildren. He loved them all dearly.

Anthony enjoyed watching any and all sporting events while munching on potato chips, eating cheeseburgers at Tod's Point while catching rays, and being with his grandchildren. He had many nicknames like Papa Tony, T-

Bone, Tony da Brick, and Potato Chip Kid. He loved doing the “three-way kiss” with his daughters, where they would simultaneously kiss him on the cheek. He found solace at Graymoor in Garrison, NY, where his ashes will be scattered.

He is survived by his two daughters, Michelle Selvaggio and her husband, Dominick Selvaggio of Warwick, New York, and Kimberly Ryan and her husband, Michael Ryan of Cortlandt Manor, New York. He is also survived by his six grandchildren, Kayla Selvaggio, Shannon Selvaggio, Meghan Selvaggio, Colleen Ryan, Sean Ryan, and Kevin Ryan.

The family will receive relatives and friends on May 5th from 12pm to 2pm at Bosak Funeral Home, 453 Shippan Avenue, Stamford, CT. Burial will be private.

“ Anthony, sometimes Tony , was kind and generous with his time. He often shared prayers with someone who he felt needed them. He would hand write his favorite prayers and give them away. He was one of a kind and I can't believe he's gone. I'm still looking for his blue 🚗 car. God gained an angel he also might call a “good “ pain in the..... Much love to Tony's family. He was so proud of you, especially Kevin. You held his ❤️ heart. Rest now my friend.

Anthony was one of a kind! Fiercely independent and sincerely honest. I've only known him a short time but found him very kind and interested in any subject that was brought up. He will be truly missed by all at 1040. May the Lord grant him peace as well as the dear ones he left behind.
