“ Ashley, you brought so much laughter, love and positivity into our family. In the most magical way, you managed to bring our tight knit family even closer together. With you, our holidays and birthday celebrations were warmer and full of SO much love. You will always be “Auntie Ashley” to our babies; Sadie, Ryan, Carson and Michael. You watched and help them grow into the beautiful children they are today. You never hesitated to drop what you were doing and paint Sadie’s nails or braid her hair before school or play with the boys. You showered them each and everyday with all of your love, made sure to never miss a milestone, a birthday or a holiday. Bobby was a lucky man to have you by his side and I’m so grateful for the love you provided him with. What an amazing team you two were together: loyal, beautiful and inspirational. My parents love you as their own and I know they will forever cherish their time spent with you. Our memories together will last until the end of time. Until then, we miss you, your smile and your laugh.

My condolences to the entire Riddle family who has been left with aching hearts. Sending all of our love to you.

“Her love remains in the hearts of all she touched, for nothing loved is ever lost.”

With love, always & forever..

“ Praying for you and your family Gina. I know no words can help, or change anything and for that I am truly sorry. I wish I could take the pain and grief from you. It's something a Mother should never ever go through. I am here if you need someone to talk to. I never had the pleasure of meeting your beautiful daughter Ashley, but I know she is an amazing woman because she was blessed to have you as her mother. My heart is broken for you all.
