“ I was sorry to hear of Barbara's passing. I admired her thirst for knowledge and openness to try new things. She will be missed!

PS

“ I was so saddened to learn of Barbara's passing. I have been very blessed to have known Barbara for over 20 years now. In working through my sadness, I have been reflecting on my experiences with Barbara that brought joy and happiness to those around her. My favorite such memory is from about 10 years ago, when, knowing her love of animals, I enjoined her to take on some volunteer work with me at a local animal rescue organization. The result was the most immaculate shelter (including its occupants) that I have even seen! Barbara's selfless compassion and sincere concern for the animals' well-being, drove her to clean every inch of the shelter, thereby improving the lives of several homeless animals... and, to top it all off, she left with a new pet cat in hand! This is just one of the beautiful memories of Barbara that I wanted to share. May she find the everlasting peace and happiness she so rightly deserves.

Missing you, Barbara!

Your friend forever,
Pam
