“ From Uncle Carl and Aunt Barbara: Sincerest condolences to you, Frankie and Mark, and your families, for the loss of your mother. Carmella will be truly missed. We have fond and special memories of both your mother and late father, from the 4th of July celebrations at their home on the beach; to our visits at their Vermont home; to our road trip to Tennessee. Our time spent together was filled with adventure, love, laughter, and joy. Carmella was always a gracious and generous hostess. Her loss leaves a deep void in our lives.
