

## Carrie Lyn Dinella

November 10, 1967 - July 23, 2021

Carrie Lyn Dinella, 53, of Stamford, passed away suddenly at her home on Friday, July 23, 2021. Born in Stamford on November 10, 1967, Carrie spent her entire life as a proud Stamford resident. She graduated from Westhill High School in 1985 and subsequently received a Bachelor of Arts with Honors at the University of Connecticut. For the past 15 years, Carrie has served her city honorably as a senior paralegal in the law department for the City of Stamford.

Carrie was passionate about her family and friends- they always came first in her life. She had a smile that would fill an entire room, and a laugh that put even the most anxious person at ease. You couldn't help but feel like you were an old friend of Carrie's, even if it was the first time you met her.

Some of the things that Carrie loved most in this world were: the NY Rangers and Yankees, her cousin Dan (who is showing her around heaven), Will Ferrell comedies, Biggie Smalls, chardonnay(nay), traveling in Europe, corny jokes, weekend trips to see her Maryland family, handsome Irish bartenders, her coworkers in the law department, hugs, coffee (pronounced "cawwfee"), binging tv shows with her mom, and her lifelong Stamford friends.

Carrie's family will receive relatives and friends on Friday, July 30th, from 9am -11am, with a Memorial Service starting at 11am, at the Bosak Funeral Home,

453 Shippan Avenue, Stamford, CT. Her interment will immediately follow at Fairfield Memorial Park Cemetery, 230 Oaklawn Avenue, Stamford, CT.

Carrie will be missed incredibly, but she is only gone in body. Her spirit lives on in the hearts of everyone who knew her. She will forever be our shining star!

For the safety of all those attending her funeral services, please wear face coverings and maintain social distancing.

“ I am sad that I will miss being at Carrie’s services tomorrow. Carrie and I were friends in high school and I would see her years ago when I worked at the 19th Hole in Stamford. “ My heart is broken. We haven't seen each other in years but she was like a sister to me in our younger years, she cared for my children and lived in my home. I wish we had spoken before God decided to take her home but I know we will see each other again someday. My sincere condolences to family and friends who share my grief and miss this beautiful Angel. I love you Carrie DB's for life. Rest easy my friend.

“ Carrie Although this is such a sad time I am thankful for all the memories I have of you. All the Cummings beach nights(way, way back in the day) lol, all the fun we had at work(Brinks) and then reconnecting several years ago to laugh all over again. I know how much you were loved and how much you loved your family and friends,  
You will be missed.  
Peace and prayers to all. ❤️

“ Carrie was one of my best friends in the Law Department. She taught me all there is to be a student, paralegal, friend and daughter. I always loved our Friday funny video time and calling each other lit (she knows what I mean)! I will miss her forever and I'm glad that I had the chance to know her and just how big her heart is. Carrie gave endlessly and to her, I was the daughter she never had. I'm grateful for every single laugh we've shared. I'm praying for her and her family, especially her lovely mother.

*Stay lit, Carrie. I love you!!!*
