“ Dear Glenn, Steve, Alisa, and Family,

*We thank you so much for sharing Chris with us all. He was magical, with a smile that always looked like he knew the joke. He once played his piano for me and what a gift. He gave without expecting anything in return and displayed a gentle strength. He spread joy where ever he went, and we were all so lucky to know such a kind and gentle soul. His joy for everything was catching, he was/is deeply loved by his AMCS family and Cafe (mom's dog). Having Chis in this world made this world a better place. Enjoy the great music, my friend and brother.*

*With love and sympathy,
