“ Christopher’s wonderful smile and warm, loving personality touched us, touched all who had the privilege of knowing him.

Christopher was not just a loving husband to Lorena but also a cherished uncle to our son-in-law, Chris. Through Christopher and Lorena, we found ourselves embraced by a true sense of family. As we’ve experienced firsthand, their home was always a beacon of warmth and hospitality, a place where we felt genuinely welcomed and loved.

Our hearts are especially filled with the joyful memories of last Christmas. We remember vividly the time spent in Christopher and Lorena’s home, surrounded by love, and the spirit of the season. Christopher’s infectious smile and generous nature made those moments unforgettable, and they will remain etched in our hearts forever.

Though he may no longer be with us, the love and kindness he shared continue to live on in our memories. Christopher’s spirit will always be a part of our lives, reminding us of the importance of love, family, and togetherness.

We will always remember him, and we are grateful for the times we spent together. Rest in peace, dear Christopher. You will be dearly missed but never forgotten.

With all our love,  
Cristina and Paulo

“ To my uncle, Chris.

*It was always nice to see you during family functions. You were selfless and always looked to make sure everyone had everything they wanted. I appreciated when you did special shopping to make me OJ and cranberry juice drinks.*

*Your treatment of my aunt Rena was admirable. Since I can remember, I have learned so much of how to treat women by way of your taking care of Rena. Thank you for your example.*

*You are a blessing in my life,*

*Love Michael Cavalieri*

“ Chris was a treasured friend,, my Best friend in fact. We met around 1968 at the Cove Marina in Stamford. We shared many boating and aviation adventures together over the years. One particular adventure stands out. He picked me up at my gate at Miami International airport and flew me out to Key West. What a kind and special person he was. He was the Best man at our Wedding 37 years ago. When my wife and I moved to the west coast he saw us off at Newark to say goodbye and get us to the airport on time.

*His support at my mothers funeral got me through a very difficult time. He was a very giving person as all who know him have seen. He was one of the kindest,nicest and caring friends anyone could ever ask for.*

*We will miss him and his smile so much. Our love and sympathies go to Lorena,Sue and Gary, Charlie and all who have had the wonderful experience of spending time and getting to know Chris.*

*May God Bless you all during this sad time!*

“ Our family moved to Echo Dr in 2019, right across the street from Chris and Lorena. Immediately they welcomed us so warmly to the neighborhood. Through the years we’ve enjoyed many celebrations together. They’ve seen our children grow and shared their love for them. What we will miss the most are those many endearing conversations we would have with Chris on our driveways, whilst hauling out trash on Thursday mornings, or when he was fixing up his car, or tending to his lawn. He had so many stories to share and was such a kind man, a man who loved his wife so much, it would always melt our hearts when he talked about Lorena. We will miss you, Chris. Bless you.

“ We met Christopher & Lorena in 2003 when we moved next door to his lovely Mum Joan. Whenever they came to visit , we would catch up and have a good old natter 😊 we visited them at their lovely home in Barrington RI and met the doggies! We last spoke to Chris on July 4 th and talked about them coming down to Delaware with a view to moving here. Then the shocking news came 5 days later that Chris had passed. We are so so sad and send all our love to Lorena and family . Christopher you will be missed so much by so many people. We love you .
