“ Sis Davidson was a special gift in our congregation , with a deep love and devotion to her savior, Jeaus Christ . She was committed in sharing her testimony with everyone . She constantly used her talent in the beautification of the. Church with her custom flowers and fabrics. She was dedicated in working in all programs of the church. Her prayers and worship was uplifting in the congregation . Her graceful manner and beaming smile was infectious with visitors in the service. She had a generous spirit and remained faithful even in enduring great pain, made every effort to attend worship service. When we visited her ,she would encourage us . She prepared her life for an eternal reward with a spiritual inheritance . She leaves us a great example of faith and service. Sis Claudia kept Jesus the center of her life. We look forward to the day when we shall see her in the Lord. She was truly loved. Our pain is heaven gain. Praise the Lord
