“ *Danuta, Thankyou for allowing me into your family and treating me as if I was your own son. You were like a second mom to me, I knew I could ask you for anything and you would help without question. Your infectious laugh and smile will be missed immensely. The last moments, conversations that we shared I will forever cherish. Thank you for being apart of my family, thank you for all the hugs, thank you for seeing me at my best and also at my worst. I will forever miss you. Till we meet again.*

“ *You may be gone, but you will live forever in our memories and in our hearts. You were such a wonderful amazing strong and caring person. Even when you were going through tough times you will always ask me about my kids , how they are doing In school and you will always give me chocolate to bring them. Meeting you was an honor. I am so grateful that I got to meet you. We love you and we wish you a peaceful sleep. 💜 🖤*

“ Danuta was a very kind, genuine, warm person. I'm so grateful I got to know her. She helped clean my house for four years, including all through COVID, and was always a joy to be with. She offered me vegetables from her garden, and always Polish candies at Christmas, and she was so sweet to my young son. We both will miss her very much. May she rest in peace, and may light perpetual shine upon her. 🙏💙
