“ My fondest memories of Doris were the years we worked together at Bellwin & Banfield's office. She was a dear and thoughtful friend and I have never forgotten her. To Linda and the family my deepest sympathies.

“ I know Doris through a mutual friend that worked with her and later worked with me. We always enjoyed her company, her wit and wisdom. I visited her in the hospital & Cassena Care and marveled at her sharp memory and upbeat attitude and personality. My sympathy extends to her family and many friends, we will all miss this very special lady.
