“ Dear Doris,

It has been an immense pleasure having you as a friend, neighbour and co-CBCIA board member at Columbia Beach for over thirty years. Since your relocation to Connecticut, you have been sorely missed, always remembered and appreciated. Your multiple years as Secretary made a lasting impact for everyone in our community. I miss you. You were always gracious and generous with your time. Rest in peace always. My heartfelt condolences to your family.

“ Dear Favorite Godmother, you were the BEST! The trip to Africa was GREAT, even though you made me and Faye row the boat while you captained and played "tour guide". I will always cherish the times that you took me fishing in your yellow Nash, the time that you gave me your 1 month old Datsun 240Z for a weekend even though I was only 16, my introduction to beef teriyaki and Sake, and all of the wonderful homemade birthday gifts. I will miss you tremendously, but I'm happy that you'll be spending time with our family that has passed before you. Rest in peace! ❤️🕊️❤️

“ Aunt Dody, you were the best aunt in the world, from rowing us in a boat to Africa and telling us stories to taking us to all the monuments and zoo in DC over the years. I will always cherish our first girls vacation to Ocean City to the cruises we took together. All the summer trips to Shady Side and the amusement park. I will always miss you and love you so much. You are happy and safe now and catching up with the family. 🧡💙💚🙏🕊️
