“ To Doug's family...I'm sure my uncle, Dick Gribben, joyfully greeted Doug on his arrival to eternal life. They were life long friends. I can imagine them enjoying this baseball season, once again, together.I had the privilege of knowing Doug and working with him in handling my uncle's estate. Doug leaves a void in the lives he touched. I will miss his warmth and humor.My Mom, Nancy Prendergast (Dick's sister), sends her thoughts and prayers as well.God bless each of you.

“ Debbie and Glenn I am so very sorry for your loss. Your dad was my best friend, my confidante and my reality check. My professional life would have me in a tailspin and I knew a "quick" chat with your dad would always help. He had a way of cutting to the core of the noise, He was relentless at brushing away the nonsense and was all about focusing on the pleasure of what ever the day could bring. I will miss my "plus 1" terribly ...but so very thankful of the memories and the great times we shared which I carry in my heart.

“ We send our deepest sympathies to Doug's family. We have wonderful memories of the fun loving guy he was. His laugh was infectious & his good nature made our high school years memorable. Now he rests in the arms of the Lord .

“Grandpa Doug” was fun to be around. He was a great storyteller and had a unique ability to convey how much fun it was to be a member of the “New York nightlife” set in the 1960s and 70s. May he rest in peace.

“ Debby and Glenn, So sorry for your loss. There aren't enough words or time to describe your dad. He was a genuinely kind man. We will miss his quirkiness, his wandering around the neighborhood with no shoes walking Miley. He was always offering to lend a hand in anything that needed to be done, no matter what. As I glance next door I am reminded of his voice as he would walk in the back door calling for anyone that was around. I could go on but I am sure you understand. HE WILL BE MISSED around the neighborhood. Prayers to you and the family. His suffering has stopped. May you all find comfort in knowing that.

“ Doug was my neighbor ever since he moved to the neighborhood. He was always kind and helped me around the house with small household chores that I could not do. He will be missed.

“ My husband Michael and I knew Doug as our next door neighbor for over 20 years. He used to come visit us with his dog Miley on a regular basis and we took care of Miley many times when Doug would go to California to visit his daughter. He was always very friendly and helpful and we definitely miss his presence.
