

Eunice (Edeline) Laurent

November 24, 1946 - April 20, 2024

Eunice Laurent was a woman with a kind heart who dedicated her life to helping others. She was born on November 24, 1946, in Cap-Haitien, Haiti, to Marie Tervenian Tacilla Stamar and Mulery Jean-Baptiste Laurent. She lived in Cap-Haitien with her four sisters and received her education from Evangelical Baptist School and Northern Cape Practical College-Haitian.

Eunice, a beacon of selflessness, married Pastor Cléonce Louis, and together, they achieved a lot in Ouanaminthe. They established churches, schools, and a medical clinic, among other things. Eunice, even after her husband's passing, continued their work, displaying an unwavering dedication that inspired many. She even traveled to the United States to find new resources, a testament to her selflessness.

Sadly, during her last trip to the US, she was diagnosed with lung abnormalities and passed away at the New Haven Yale Hospital on April 20, 2024. Eunice's legacy as a caregiver, nurse, and doctor will continue in Ouanaminthe and beyond.

She was not just a beloved mother to her three children, Wiline Louis-Sidne (Denis Sidne), Winy Cedon (Jean Elie Cedon), and Rodney Louis, but a guiding light in their lives. Eunice was a cherished grandmother to her many grandchildren, who adored her. Eunice also leaves behind her siblings,

cousins, extended family, and friends who knew her as a kind, compassionate, and selfless person and who loved her deeply.

Eunice will be deeply missed, but her life and legacy will be celebrated and remembered by all who knew her.
