“ Remembering My Best Friend!

*I still think can't believe you not here physically. You weren't just my best friend- you were my family. we shared so many laughs, long talks, and unforgettable moments that will forever stay in my heart my brother.*

*I remember your - smile it could light up the darkest day. I remember how you always knew just what to say when things were rough. We learned on each other through everything, and life just isn't the same without you my brother.*

*you taught me the true meaning of loyalty and love, respect for everyone.*

*I'll never forget you never call me Jean you always call me by my last name Saint Fleur everyone else call the same saint fleur. Even though you gone, your spirit still walks beside me, giving me strength when I need it most.*

*I miss you brother deeply, but I carry you with me. Always and forever... wishing you Rest In Peace my brother. May God Bless You Soul!*
