“ Dear Sylvia, Jeff and Ed,

*I am so sorry to hear of Ed's passing. I fondly remember riding my bike over to see Jeff only to find Ed out front proudly polishing one of his prized Buicks. This was not a rare occurrence!*

*I also recall that most times when I would call for Jeff I would be greeted by Ed's signature way a saying hello. It sounded kind of like a quick "yeh low" but it's hard describe. I'm sure many of you know what I am struggling to get across.*

*The Orgera family was such a wonderful part of my childhood and adolescence and I'll never forget that.*

*Warmest regards, Steve Agostino*
