“ *Elaine, it's a year!! I just visited with Fred 5 days before you passed!! You are the strongest woman I know. A rock! You were my mom's best friend and I know you, and she, Aunt Laura, Gene, uncle Phil are all having a drink. And if you can play golf where you are.. that's what you all are doing!*

My memories of you go deep.. I was yr God child when you were 14 yrs old! You wanted me to teach you "the hustle" when I was 15! The parties at your home were the best. You were so generous with yr love. I am always grateful when my Mom passed Aunt Sis. YOU were the one who helped guide me through it all.. I wouldn't have made it without you. I love you Elaine and it was your time to leave this Earth.. but you will forever live in our hearts and memories. Rest in Peace Cuz.

I have known Elaine for over 60 years. We were in a marital relationship for several years which unfortunately ended in divorce. In spite of that we remained close lifelong friends and coparents. I have maintained friendships with her wonderful family. Elaine had a heart of gold and would help anyone in need. She was generous and loving to her children and grandchildren and set a fine example of what a loving mother should be. I hope she rests in peace She will never be forgotten by numerous friends and relatives for her kindness and consideration.
