“ *Loving, Caring, Honest, and Kind. Granny, I am going to miss you. However, I understand that you are in a better place. I am going to cherish our memories, like our TV time together watching Jeopardy and MSNBC.*

I will forever be grateful to you for the guidance that you showed me during our grandmother to grandson conversation. Granny as stated, 'Grandmas hold our tiny hands for just a little while.... but our hearts forever. – Unknown) Love You always

“ I could never imagine a “friend” who was the equivalent of my grandmother. Elizabeth, Queen, as we would greet each other was my dear friend and confidante. Her wisdom guided me through tough times. Her prayers reassured that God would protect me. She was a rare gem - like no other - full of life compassion, a generous heart and a spirited friend. I am grateful to have so many wonderful memories of you. I will miss you - I will miss our interactions. I pray for comfort for the family.
