“ Dear Whitey & Family, We are so sorry about Evelyn's passing. Evelyn was truly an amazing person and we are sure that you will always be proud of her many accomplishments. Her outlook on life is something that we should all try to match. Having the Irish toast with the Jameson's whiskey clearly demonstrated this. Thinking about all of this will bring a smile to our faces and Evelyn will always live on as a result. We hope that knowing this will give you the strength to endure the hardship of not having Evelyn physically present. Evelyn is in God's hands now and she can look over her family in ways that she never could before. Please feel free to call us at any time and we can even meet Whitey down the the Eagles. With all of our love.
