

Felipe "Junior" Colon

August 17, 1971 - December 14, 2020

With great sadness and a heavy heart, on Monday, December 14, 2020, Felipe "Junior" Colon, loving husband, and beloved father of two children, passed away at the young age of 49.

He is survived by his beloved wife Luz, his two children, Savanna and Donovan, his father Phillip, his twin brother Angel, his sister Blanca, and brother Gilberto (Susan). Junior was preceded in death by his mother Pruda. He will truly be missed and remembered by his brothers-in-law, sisters-in-law, many uncles, aunts, nephews, nieces, numerous cousins, and dear friends.

Junior was a true family man, who loved his immediate and extended family dearly. With a twinkle in his eye, and the most amazing, enormous, infectious smile, and his generous heart, Junior easily made lasting friendships and touched many lives. Junior had a passion for cooking, playing guitar and cuatro. He loved to entertain and barbecue for his family and friends. He was a die-hard Eagles and Phillies fan.

To our family at King Industries:

Please accept our deepest gratitude and thanks. I know how fortunate he was when he started working for your company, but I never expected to have such an amazing family. We are extremely grateful for all you have done for our

“ Had the pleasure of working with Junior for 5 years overnight. His smile & laugh would light up a room. My sister taught his daughter Savanna back in third grade. She would always have a huge smile on her face, just like Junior, when asking about Mrs Liberatore. When you introduced me to your son Donovan, I remember the smile you had. Junior would always welcome any and everyone with open arms! Loved food, cooking, and hosting for your kids birthday parties. I remember he asked for a chicken scarpello recipe from my grandmother, and she wrote him a note.. “if you’re cooking for Tom, make double!” Junior would always laugh at that. He brought the kids to watch me coach a playoff game. I remember Junior always laughing and telling a story about the altercation me and the referee got into. Junior, my friend. You are loved and will be missed.
Luz & the kids, my deepest sympathies during these troubling times.

“ My favorite memories of Jr where everyday I spent with him at work. No matter how long of a day/night JR always had a smile on his face and a laugh that made all our days easier. He always asked about my kids and loved sharing stories of his own kids. His door was always open to all of us and he made me feel like family even while watching eagles games! I miss him and will always have some awesome memories with him to keep in my heart. My deepest condolences to his family and may god guide you through this very difficult time. ❤️

“ My condolences, to this great family Luz, Savanna and Donovan I must admit this is hard to swallow, but I do know Felipe "junior" Colon has etched a legacy and also left an indelible mark on all who crossed his path, if there is a person that ever sacrificed his interest to make others happy, "well Felipe is that person" "to be clear I didn't say (was a person) for that is past tense, he is that person, for the beauty is... in my eyes he's never gone, it's just a temporary" see you later" as an avid "eagles fan with Jr, i remember feb 2018, we both were in Philly for the "SUPERBOWL CHAMPION PHILADELPHIA EAGLES", parade , and for whatever reason I couldn't get to the actual parade sight, masses of people and all, but again this is "Jr" he saw fit to get me some of the confetti and pics etc..... just selfless and loving, "well Felipe junior Colon we will miss your physical presence for sure, but you will NEVER EVER EVER BE FORGOTTEN" I LOVE YOU BROTHER, and blessings and healing to your great family, whisper to your family the love you've always displayed GOD BLESS YOU 🙏 .

(PS) now your eternal life has begun, enjoy your love ones in heaven who has gone on before you..... "GO BIRDS.... GO E.A.G.L.E.S..... EAGLES FLY BABY FLY

“ *First my most sincerest and heartfelt condolences to Luz, Savanna and Donovan. From watching Eagles games together to the countless birthday parties where Junior always cooked and loved making his children happy. He was most happiest seeing guests over have a good time. One of my most memorable times with Junior and Luz was before children and probably marriage when we went to New York to go see John Leguizamo on stage for Freak. We had the best time and that is when I witnessed how attentive and loving he was to the future mother of his children . He managed to win Luz's heart over, that's when I knew he was good for her and would love her always. I loved him since.*

Our sincere condolences to the Colon Family. We would always see them at Jason's home for some family activity and they were so much fun. He had a very contagious smile, very sweet man. May God have you resting in peace. Noel and I prayed for your recovery but God had other plans. Until we all meet again in the presence of the Lord. RIP Junior!

junior's smile shatters the darkness

illuminating the hearts of those around him

limited in time but eternal in the moment

forever captured in the eyes of the universe

fleeting in the fabric of time

yet dancing forever in our hearts reflections real and imagined

an inferno of emotions tapered by the dark

your flame burns eternal

Luz, though Mark and I only had known the both of you from CORE since we moved here in 2016; we feel like Junior and you truly became a part of our hearts. We had so much fun at the parties, and we will miss him greatly! It is a given that he is in Heaven right now making the other angels dance as he plays his guitar! If you do ever want to talk Luz, I have a Facebook account; just text me there and I PROMISE I will answer...
