“ I didn't know Petey very long but in the time i did i loved him. He was a kind, generous and caring man who loved life to the fullest, loved his kids and family fiercely who would do anything for them.Petey accepted me into the family and made me feel like i was family. He was quick with a joke and sure knew how to break your stones and make you laugh as he did. Petey was learning to live life one day at a time and to embrace each moment. He touched so many people's lives and his amazing spirit will live on in his children, his mother, father and his brothers and sisters.He'll never be forgotten and he'll always be with us.I made a promise to him to love, respect and take care of his mother and it's one i won't ever break.Love you Petey

“ Dearest Sonia and Family, While the loss of a loved one is never easy, even when anticipated, it is most certainly the hardest when they are taken from us too soon. The recent loss of your son who has left you at such a youthful age is definitely in the category of those hard losses for which there is so painful a reminder of what might have been. My Family and I offer our sincere condolence and deepest sympathy on your loss. May the outpouring of sympathy, the kind acts of friends and strangers and the comfort in knowing that your loss is felt by many, help you through this difficult time. I ask for God's blessings on you and your wonderful family. May you find the courage and strength to move forward in peace and confidence and in knowing that his was a life well-lived. God Bless You!Maira Rivera Loglisci & Family xoxo

“ *My beautiful fat man. Words can't express the sadness and overwhelming emptiness I feel with you gone. You are my brother, my big brother and no one would ever be able to fill your shoes. We fought like siblings do and loved each other too. I can't say good bye because I feel like I'll never see you. So I'll just say I'll see you soon. I still can't accept the fact that you are in heaven with Mami Celia but I know you missed her and that she's taking care of you. Just watch over us from heaven and know we love you so much and you will never ever be forgotten. You live in my heart and took a piece with you when you left. I'm so sorry you had to go out this way, it's not right. I just want you to know I'm proud of you and the way you were growing as a person. "Tu me manques." I love you forever and always Petey. My fat man. My big brother.*
