MY

“ Dear Mrs. Qua and family,
I recently learned of the death of your loving husband and father,
George.
I know that if my husband had not passed away last Nov.1, 2017, he
would have been honored to be present with your family at
George's funeral services.
I am so very sorry for your loss. I will hold you all in my heart and
keep you all I my prayers. I know that your George is very busy in
heaven chatting with my husband, Jess. Jess was so very fond of
George and his entire family.
May God grant George eternal peace and rest.
Sincerely,
Nancy Yap

“ Our hearts and prayers to Auntie Avelina and our Qua Cousins on
the passing of Dear Uncle George. Uncle George was the kind of
person that had such a positive, warm, gentle presence. I was
blessed to have met him back in 2004 and will forever remember his
warmth, smile and generosity. My kids never had the opportunity to
meet him but everytime I open a jar of Peach Jam or drink a ginger
ale , I always would say My Uncle George makes the best peach
jam.. btw kids, he also invented ginger ale. Now I know the secret of
his jam... its the love he pours in it when making it. I smile and get
excited when ever I see peach jam... reminds me of Uncle George
so sweet and makes you feel good .. just like a gentle hug. Heaven
is feasting on Jam right now.
