“ To Frantz, Emmanuela Lauture & daughters: Caelle, Alicia, and Laura: My deepest condolences for your family.

As you continue to grieve the loss of your father, father-in-law, and grandpa, remember this, God had him first and shared him with you!

Frantz, you and your family have gained the memories and mostly the unconditional love that your father can only give and for this, know that as time passes, he knew he left his caring character behind for you to demonstrate the same through your wife, daughters and mostly, yourself!

Stand behind your faith in order for you and your family to endure; share the memories, stories, and tears of joy & peace, not tears of sorrow.

The spirit of your father will be what will carry you and your family through, and I pray that you and your family celebrate your father in ways to bring peace and acceptance!

Love, Miss Stephanie (TCHS)
