*My mother, Julia Oliveira, and I offer our deepest condolences. May Helen rest in peace.*

*My mother, Julia Oliveira, was Helen's friend.*

*I remember a dinner Helen hosted at her house. She had a rosemary tree/shrub. I had never seen one before. She pulled a few leaves off the tree/shrub and rubbed it with her fingers; the most wonderful aroma filled the air.*

*Helen was a wonderful lady and will be missed.*
