“ Dear Laura, I just learned of Irene's passing and am so very sorry for you and Barbara for the loss of your mother. Laura, you were a loving and caring daughter and should have no regrets as to your care and love for Irene through these difficult years. I know from my own life that the loss of one's mother is so very hard. I pray that the Good Lord will comfort you and your sister and give his Holy Angels charge over you to get through this difficult time. Please let me know if I can help in any way with the animals or anything else you may need. My loving thoughts and prayers are with you.
