“ My favorite memory and the most “delicious” was when Irene was in San Diego in Patti-Ann’s home on Meade Avenue. Irene and Patti-Ann and myself were there in the kitchen watching and learning how to make Mom’s famous Eggplant Parmigiana. I being a chef and major foodie always wanted to learn how mom made this dish is she was so gracious and so kind to show me that day. It was a lot of work, and time consuming but well worth it at the end. She put her heart into the entire dish and I will always, remember that the day and moment with her. Her memory and her eggplant parmigiana will live on with me. I will miss her dearly. She loved me like a son, and I loved her like a mom. I send my condolences to you Dan and Patti-Ann and Mark and the entire family. I’m sorry I will not be able to attend the service, but I will be there in spirit and by your side.XO

“ *My thoughts and prayers to all. Irene was such a wonderful person. Two special memories come to mind ... she altered my mom's wedding gown so I could wear it (not an easy task if you knew us - two very different body types), - oh and as she was doing the alterations my fiancé kept updating me because our cat decided to deliver 8 kittens under my bed that day ... the other ... not as dramatic but great fun - we attended the closing of SHA.*
