“ To the family of Jason! My heart is with you guys and I'm praying for you. I graduated with Jason from Westhill! I got to spend 2 wonderful years with him in school! He was a dear friend to me. Although he and I lost touch after high school I still kept him in my heart and always remembered how sweet he was to me and how he helped me along the way since I was new to Stamford and westhill. He will be remembered! He was loved by many. So sorry for your loss.
