“ *Patty and Karen, this is Ryan (and Paula) who had the privilege of living next to Jenny at 21 Sherman back in 2009-2011. She was hands down our favorite and was so so sweet, kind, and most importantly fun. We always had great conversation, she would have us over dinner and a drink, and we always enjoyed the simplicity of our time together. Just finding this out was very saddening, but we know she is looking down smiling and watching over all of us. She spoke so highly of you and the whole family. Stay strong.*

“ *Dear Patty and Karen,*

What a wonderful mother you had.! We considered her a treasured friend and were so sorry to hear that she had passed away. We spoke with Jenny in September and she sounded like her old funny self, cracking jokes and still swinging. She sounded good. Please accept our condolences and hope your memories will be comforting in the days to come.

*We will miss you , Jenny!
