Dear Catherine and Jerry, Jr and your families,

Our hearts go out to you for your loss, it is very difficult to express the sadness that we feel at your father's passing.

We spent many years together with your father and Bonnie experiencing all the ups and downs that can be expected in our mutual efforts to keep the Stamford Eagles going.

It was always refreshing to go with him to the many conventions, conferences and other events for the Eagles throughout the jurisdiction and it was truly a pleasure to see him move up to become a Past State President.

After Bonnie passed away, he was truly heart broken and he missed her dearly.

Our hopes and our prayers are that he truly found peace.

We could not expect more from a true friend like your father although it seemed like we always grew closer as time went on.

We will surely miss him.
