“ Although a part of me is at peace; there is still another that regrets the distance from the man who raised me to the man I barely connected with. My heart is heavy to think he felt isolated and alone; but find comfort in knowing that G-d is always with us - even when feel alone. I pray that he felt very little pain if any and that all those who were effected will find peace in knowing he is resting. Until we meet again Papi love you always. Carmencita

“ Jesus was always friendly and ready to lend a hand at the building where he worked for so many years. Everyone there was used to seeing his smiling presence every day, and he is certainly missed! We are so sorry for your loss, and our thoughts are with you during this difficult time.
We all miss Jesus!

“ *Burgos as I always referred to him was one cool cat. He was always there to help and I remember him being such a part of my childhood. Distance and growing up (moving away, getting married, etc) kept me from seeing him but...I do remember the last time I saw him and it was like old times - same cool cat with his jokes and great personality. I will miss you Burgos.*
