“ Shock and sadness to read of the passing of Joann. I have so many good memories of our good times together in our younger days. Parties and New Years Eve. Wish i had spent time with you after Butchies's mass , who would have known i'd never get the chance. Steve, my deepest condolences to you and your family. 10 grandchildren (if I read correctly) is an amazing legacy to leave in her memory.

“ Share a memory? Where to start and how to stop? Thank you for every great memory I ever had visiting Stamford and seeing you and the family throughout these many years. They were priceless and fun and we ate and we ate because you knew how to prepare anything. I know you were met with welcoming arms from so many waiting for you. You will be missed dear sister, but we will indeed meet again.
