“ *My sincere condolences to the Cackowski family. I had just texted with Jo on Thanksgiving and to hear that she passed away the next day was so upsetting. Having known Jo since high school, we just started to meet for lunches and talk about the old school days, softball, bowling and everything our old bones couldn't do any more. I'm so sad we won't have more of those days.*

To Stanley and the all family. The DeLeo and Cachowski friendship goes back a long way. I am so sad and want you to know Jo will be missed. Her love of her family and friends was unconditional. I learned so much about all of you from Jo that i feel I know you all. God take her into your arms where there will only be joy and love, no more pain.

“ I was so sorry to hear about Jo. She was an important part of my younger life. Playing sports at Stamford High, bowling, Raybestos, New Years parties at Cove Road, all great memories. Life sometimes separates us but happily it can bring us back together. Recently we have enjoyed frequently meeting for lunch. An old friendship becomes new again. My condolences to the family. She loved you guys. Sharon Weaver
