

## John Boshka

May 17, 1960 - May 25, 2022

John (Jack) Boshka III passed away peacefully in his sleep on May 25, 2022.

He was predeceased by his mother Patrica Dooley Boshka. Born in Stamford in 1960, he was the much beloved son of John Boshka, Jr., brother of Karen Boshka and Kim Green (Steven), uncle of Larissa Green Perez (Norberto) and Trevor Green. He was also loved by his fiancé Mareena Apostolos and their German shepherd Sampson. He will be greatly missed and lovingly remembered with a smile on his face by all.

Jack worked for Federal Express for many years before pursuing other ventures. An avid sports fan, he was a lifelong Dallas Cowboys fan and an excellent softball player. He cherished the years he spent on softball leagues, playing in many winning local tournaments as well as several regional tournaments and being voted most valuable player twice.

Jack believed in finding the humor and joy in life and helping others, especially taking the time on many occasions to help strangers in need. To honor his memory we ask, as he would have, that you smile and laugh often and be kind and helpful to others.

Jack's fervent desire was that prevention and a cure for Lyme Disease be developed. In lieu of flowers, he would have appreciated a donation be made

to the Lyme Disease Association to support research and development at [www.Lymediseaseassociation.org](http://www.Lymediseaseassociation.org)

Due to covid concerns, the family will hold a private service and burial.

“ I never thought of Jack as Karen’s brother but as a friend. He was so much fun to talk to. Always had a smile. Loved dogs and cats. I’ll miss him but know his pain is gone. I can picture him and his mom together again.  
Thinking of you all. Lin Benware.

“ To Karen, Kim, Mr Boshka and Maureen, on behalf of myself and my family I’d like to extend my deepest condolences. As a life long resident of Old Barn RD I have nothing but great memories of Jack. He was an original Olin boy and a lotta fun and always had a smile on his face. Especially whenever he was in town and would knock on my door and his giant friendly German Shepard Sampson would be standing right next to him, it was always great to see him. We would hang out and talk about the old days of the neighborhood Wich we’re a lotta fun, He was always cool to me and I will miss him for sure!  
Rest In Peace Jack.

“ I remember Jack when he was Johnny, Karen’s little brother. He was a real sweet kid who always had a bright smile. He grew up to be a real sweet guy with that same smile. My heart goes out to the entire Boshka family. I hope you can all find comfort in fond memories and peace in knowing that Jack is smiling down from heaven.
