“ I was just a teenager when I met Mr. Iannuzzi, but even then, I could feel the quiet royalty he carried. He didn't have to speak loudly to fill the room, his presence was the room. I remember him being kind, elegant, and full of light. My family had the honor of sharing moments with him, and I'll forever cherish those memories. To us, he was more than an attorney, he was someone who protected, supported, and stood beside our family with honor. I'll always treasure the moments we shared, especially the memories of him dancing with Mrs. Iannuzzi, laughing, and simply being present with us. May God bless the Iannuzzi family 🙏 P.S. he was a phenomenal dancer ❤️

“ I would like to express my condolences to John's family. I knew him as "Johnny" in the late 50's to the early 60's when he lived in Mamaroneck. We produced a bit of mischief between us. I last saw John at his appliance store in 1979, just prior to my move to Dallas. I was glad to hear that he had an enduring marriage and lots of grandchildren.

“ John and I were not just neighbors we were recliner buddies. When the ladies were talking John and I were in the recliners watching the game or his beloved westerns! I will miss you by my side! RIP my dear friend.

“ I only knew John for a short time having him and Katie moving right next to me and the moment I met him I knew he was going to be a wonderful friend! We had dinner at my place a week before and we had a great time so happy to have had him in my life even if it was for a short time! RIP John.
