

Jordan Martinez

October 29, 2004 - September 26, 2021

Jordan Martinez, 16, passed away on September 26, 2021.

Jordan will be greatly missed by everyone that knew him. He was a kind gentle soul, with a big personality and even bigger heart; a kind of young man that anyone would be proud to call son, grandson, and friend.

Jordan is survived by his parents Jennifer Hubbard and Joevanie Martinez, sister Kayla, his grandparents and a host of aunts, uncles, cousins, and friends. He was a senior at Westhill High School, and a member of the varsity football team.

In lieu of flowers, in honor of Jordan's passion for football, his family is asking that donations are made at <https://www.gofundme.com/f/jordan-davis-martinez-memorial-fund> to help support Stamford youth football programs.

Family will receive relatives and friends on Sunday, October 3, 2021 from 10am - 1pm at Bosak Funeral Home, 453 Shippan Avenue, Stamford, CT. Funeral service and interment will be held private.

For the safety of all those attending his funeral services, please wear face coverings and maintain social distancing.

“ *we used to be on the phone for hours doing nothing but laughing and talking about random things. falling asleep on the phone with jordan was so normal for me that i have yet to sleep peacefully for 122 days. his laugh was contagious and his smile felt like home. his hugs made me feel safe and loved. life is unfair and we may never understand why things happen but i do know that jordan meant alot to many people including me, and although he isnt physically here anymore his place in our hearts will remain forever. i love you forever and always teddy bear*

“ Words of wisdom by Jordan in my Per. 6 English class: "I disagree that people should act according to how they feel because certain people can say or do the wrong thing just because of how they felt." We should all keep that in mind as we mourn the loss of this wonderful young man. -- Mr. Denbaum, English 12 teacher, Westhill High School

“ We watched Jordan play in his early days on the team. The best cheerleader at that game was his sister, Kayla.

“ Jordan, I watched you grow up to the young man that you had become. Always had a smile on your face every time I seen you. You will be sorely missed by all who knew you. You were such a great kid. It was a pleasure to have known you and watched you grow to the young man you became. RIP Jordan - Fly High - You will be missed by so many. RIP Angel!

“ *Jordan you were always such a delight. Those beautiful little chubby cheeks, I remember you would act so shy and had the most adorable smile and I would melt. The world will truly miss you but God must have needed his Angel much sooner than anyone could have anticipated. It was a pleasure to have had the opportunity to had you in all of our lives even if it wasn't as long as it should have been. Rest easy Angel!*
