

Jorge A. Arbito

May 19, 1948 - March 11, 2025

It is with deep sorrow that we share the passing of Jorge Arbito, who left us on March 11, 2025, at the age of 76. He died surrounded by his wife and children after suffering a severe brain aneurysm rupture on October 28, 2024. Despite surviving the initial injury, Jorge was on a road to recovery, filled with hope and strength, but tragically, his journey was cut short due to unforeseen complications. Throughout this difficult time, Jorge remained a symbol of bravery and hope. He faced every challenge with determination, never giving up and fought until the very end. A man of boundless love, warmth, and joy, Jorge was a beacon of light to all who knew him.

Jorge was born on May 19, 1948 in Cuenca, Ecuador and moved to the US in 1974. He then married the love of his life, Nancy, in 1980, and they had 3 beautiful children, Ryan, Evelyn, and Frankie. They lived in Queens, NY for 10 years, then moved to Stamford, CT in 1990. Jorge spent his life dedicating himself to both his family and his work, with over 30 years of his life as a vending machine technician. While his work was an important part of who he was, Jorge also cherished the relationships he built along the way. Jorge was a person whose willingness to help others touched the lives of all who knew him. He always had a smile on his face and he brought joy and laughter into every room, often lightening the mood with his hilarious jokes, funny stories, and playful antics. His sense of humor was his gift to the world; he could turn any situation into a moment of joy and there was never a dull moment. His

legacy of joy will live on in the stories, smiles, laughter and nicknames he gave everyone.

Jorge is survived by his wife, children, grandchildren, sister, extended family, and his devoted mother, who he spoke to every single day. Though his presence will be greatly missed, we take comfort in knowing he is at peace, living on in the beautiful moments he gifted to us all.

Rest in peace, Jorge. You were the sun in our lives, and your light will continue to shine forever in our hearts. The sun's warmth will always remind us of your smile.

“ I had the privilege of meeting Mr. Arbito briefly in person, and in that short time, I witnessed the many wonderful qualities he embodied as a father, husband, and genuinely kind person. Nancy often shared stories about his humorous ways and other remarkable traits that made him so special. I truly hope that all the beautiful memories they created together will bring comfort to Nancy and the family during this difficult time. May he rest in peace.

“ God saw you getting tired and a cure was not to be so he put his arms around you and whispered,
"Come to Me"
With tearful eyes we watched you and saw you pass away and although we love you dearly we could not make you stay.
A golden heart stopped beating hard working hands at rest.
God broke our hearts to prove to us
He only takes the best

Rest in peace dear Jorge 🙏❤️🙏
