“ He had me at day 1. He was the greatest grandfather,man,hero anyone could ask for. He was there when you needed him. He protected you when you couldn't defend yourself. He loved you with no strings attached. Never asked for anything in return. He served his country,family and humanity with loyalty, respect and above all dignity. I strive to be just like him to give my grandchildren the same love he our family. I had the honor to volunteer to be a Pall bearer to escort him to his final resting place. I am proud to have done it. It was a honor to do so.
